REPORT ON SDG 10: REDUCED INEQUALITIES

Azerbaijan University is committed to reducing inequalities by fostering an inclusive and equitable learning environment for all its students, faculty, and staff. The university ensures equal access to education, providing scholarships, financial aid, and support services for underrepresented groups, including women, people with disabilities, and those from economically disadvantaged backgrounds.

10 REDUCED INEQUALITIES

Reduced Inequalities (SDG 10)

Azerbaijan University is firmly committed to the principles of equality, fairness, and inclusivity across all aspects of academic and campus life. In alignment with the United Nations Sustainable Development Goal 10: **Reduced Inequalities**, our University has taken deliberate steps to ensure equal access to education, resources, and opportunities for all students and staff, regardless of their background.

Admission Process

Our admission procedures are structured to uphold transparency and fairness for all prospective students:

National Students: Admission of Azerbaijani citizens is centrally managed by the **State Examination Center (SEC)** of the Republic of Azerbaijan. This standardized process ensures impartiality and merit-based selection for all national applicants.

International Students: The admission of international students is conducted by the **University Admission Commission**, following clear and fair criteria. The process is designed to evaluate all applicants equitably, without discrimination based on nationality, race, religion, gender, or any other status.

Commitment to Equal Opportunities

Azerbaijan University proudly upholds an inclusive academic environment where diversity is celebrated. We ensure:

Equal Access - all students and staff have equal access to University facilities, including libraries, laboratories, digital resources, study spaces, and recreational areas.

Non-Discrimination Policy - the University maintains a strong non-discrimination policy, actively promoting equality regardless of race, ethnicity, religion, gender identity, socioeconomic background, or physical ability.

Supportive Environment - various support services - such as academic counseling, mental health resources, and language assistance programs - are available to help all students thrive equally throughout their studies.

Azerbaijan University continues to advance its commitment to reducing inequalities by fostering a transparent, inclusive, and fair academic community. We believe that diversity enriches the educational experience and strengthens our role in building a more equitable society.
